## What would you like to see?

### Serving the local

#### community for 150 years

Sacred Heart Church has been at the centre of the local community in Hanley since the Parish was formed in 1850.

Extensive fund raising was undertaken in the late 19th

Century by a poor, mainly

Irish migrant community

which led to the building of

the magnificent Church

which stands on Jasper

Street, and the School to the

south of the site.

For over a century the

school served the local

community, until its closure

in the early 1980s. when the

former school building

became the Sacred Heart

Social Centre.

### The next step

We now want to embark

upon the next step, more

effectively to serve the

people of this area and

provide a modern centre to

meet your needs.

Thank you!

### Groups which currently use the Social Centre

Beth Johnson Senior Citizens Centre; Newcastle Players, Slimming Club, Sudanese Community Association, Keralan Community Association, Ethiopian Community, Al-Anon, The Catholic Club, Maryvale Institute, JET training, Expert Patient Programme.
